ASSOCIATE DEGREE – SPORTS MANAGEMENT

The Ministry of Education, Sustainable Development, Innovation, Science, Technology and Vocational Training, in partnership with Monroe College promotes the opportunity to study for an Associate Degree in Sports Management through the Saint Lucia Sports Academy.

Through this alliance, Monroe College offers a 50% scholarship to all successful applicants. The Ministry of Education will cover a further 50% of fees through bursaries for 20 qualifying applicants.

Interested persons are encouraged to apply to Monroe College for admittance. The offer is open to persons who possess five CSEC subjects and are interested in pursuing a career in Sports Management.

Information on the bursary application process will be shared on the Ministry's website and social media pages.

The programme commences in February 2023.
